DISCUSS | EDIT | MORE

Rhanivird Riggs is the leader of the Heavers' Guild.

A veteran of the Second Nilfgaardian War and a Dwarf of principle. He considers [Cidaris](#) to be his home for which he spilled his blood.

He has a grudging respect for [Falco von Gratz](#), though they are often at odds with each other.

Donna and the Shivers

He tries to keep the small Dwarven community out of the clutches of organized crime. He knew that his daughter, [Donna](#), used to hang out with the pirates from the [Shivers](#) gang and he did not like it one bit. His disapproval reached its height when [Donna](#) was abducted by the [Shivers](#). After she got rescued by the [Party](#), Rhanivird made her promise that she will stick close to him, working in the docks.
